

# Sebastian

Edition No. 1-05 Tub

With flared sides, a deep bevel under the substantial rim and a subtle kickout at its base, the Sebastian 72-inch Tub finds all the right angles to amplify the play of light, making a splendid focal point at the center of a primary bathroom. A handsome number with wonderful expanses of stone – from Bianco Avorio to Nero Marquina, that choice will transform each tub into a unique piece.
