

Hamilton

Edition No. 3-12 Shelving Unit - 2 Tier

The Hamilton Shelving Unit celebrates the honest interaction of materials that express both structure and decoration. Subtle details enliven this handsome statement piece, including the slim negative space between metal rods and the stone from which they emerge.

Shown in Arabescato Corchia with Burnished Brass.

Available in 30-inch, 36-inch and 48-inch widths, and two or three tiers.
