

Tassilo

Edition No. 3-07 Apron Sink

A curving expanse of stone caps the clean, front plane of our Tassilo Apron Sink. Inset below counter level, a recessed deck supports the fixtures while maintaining a clean, dry surround for the deep, single basin. An optional solid brass towel bar follows the concave shape at the top edge, emphasizing the distinct geometry of this elegant piece.

Shown in Arabescato Corchia with Burnished Brass. Also available without towel bar. Plumbing fixtures not included.

Available in 30-inch or 36-inch widths.
