

Liberty

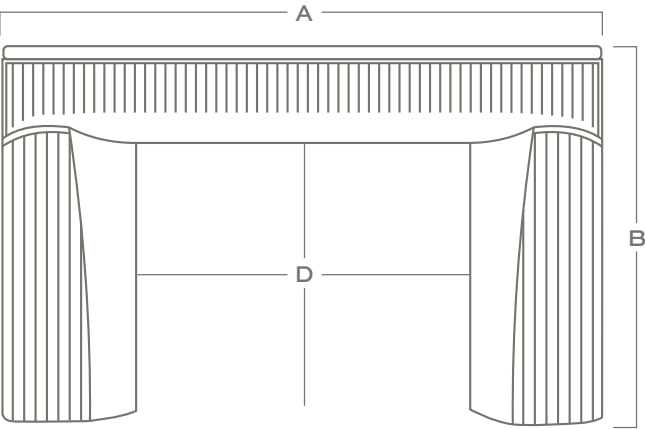

Edition No. 1-O3

An intricate play of texture that reveals itself upon approach, The Liberty is alive with motion. From a distance, the surface suggests a pleated rhythm; up close, it resolves into a precise geometry of pyramidal facets that expertly flow into graceful curves, echoing the fine detailing of a luxury timepiece. This transformation from flat planes into fluid pleats evokes the meticulous craftsmanship of a piece of haute couture or a watchmaker’s bezel.

Patent pending.
